DISTRIBUTION LIST

FOR

MANITOBA

CONTAINING

1. The names of the Post Offices alphabetically arranged.

2. Showing the distribution of the different post offices from a standpoint east of Fort William (See page 2).

3. The names of the Postal Car Routes, Sections of Postal Car Routes or Distributing Offices through which matter for the several offices should pass.

4. The names of the Offices to which the matter is forwarded by the Railway Mail Clerks or Distributing Offices when not mailed direct. (Direct Mails are indicated by dotted lines).

5. The names of the Mail Routes by which the offices are served when not situated on a line of Railway. When an office is served by two or more routes the hours of departure from the several terminal points are given.

INSTRUCTIONS.

1. Matter for any Office which is supplied by more than one route should be forwarded by the one by which it will most speedily reach its destination.

2. When any doubt exists as to the proper Railway route by which matter should be forwarded, application should be made to the District Superintendent, Postal Service. Similar information should be obtained regarding Mail Routes off the line of Railway.

3. Offices newly established, and Offices to which new names have been given, should be written in the List of Offices having the same initial letter. To the entries under each letter should be prefixed consecutive numbers, which numbers should be neatly inserted in their places in the General List, in which the names of the new Offices or the new names of the old Offices should, in proper order, appear. The numbering should be from one upwards in each letter.

4. In case of change of name, the old name should be erased from the list and *"changed to*..... ....."(the new name) written opposite to the erasure. Opposite the entry of the new name should be written ("formerly..... ....." (the old name.) In making changes use a medium lead pencil. "Erase" by drawing a pencil line through the items ordered to be erased. "Restore" by rubbing out pencil erasures.

5. It is the duty of District Superintendents Postal Service and Postmasters *personally* to see that the Distribution Books furnished to each Clerk under their supervision are corrected from the Lists issued from the Post Office Department and the Office of the Chief R.M.S. at Ottawa.
